

Learn More

about planning to reduce flood risk in your area!

Join the Delta Stewardship Council and community leaders to learn the latest about efforts underway to evaluate risk and guide future State investments that will protect the islands of the Sacramento-San Joaquin Delta.

Our community meetings are open to all!

Meeting topics to include:

- *Status of the Delta Levees Investment Strategy*
- *Discussion of the risks to lives, property, water supply, habitat, and other important Delta resources*
- *Discussion of actions, programs, and funding to reduce risks*

For more information about the Delta Levees Investment Strategy, visit the [project web page](#).
